

**HAUNTED HOUSE
TRICKS AND TREATS
OCTOBER 31, 2007
2000 LAWRENCE DR., RALEIGH
6:00-8:30 PM**

Meet the mistress of the house and her crypt keeper
Sit for a "spell" if you dare, have a BITE
There will be crunchy morsels to munch if you can catch them.
See what happened to their last guests
(or what's left of them)
Who, or, what is in those jars and beakers?
& Is electricity really keeping it alive?
View recently uncovered transcripts of experiments gone awry
& Marvel at the photos of the creatures created.
Peak at the collection of nightmare memories
captured in living color,
(if you don't plan on sleeping when you get home).
Come yourself..... Bring your fiends, You'll be glad you did.

**** Rain or shine outside ****

BE THERE OR DIE TRYING
